Your story: (Please supply some background info such as how long you have owned your car, where it was first purchased and by whom if you know that. Also, any interesting facts that you know about the history, how much time and money you have invested in the car and how long you have been a member of the club would be helpful. Any connection you might have with Fiat/Chrysler, Daimler/Chrysler or the former Chrysler Corp. would also be of interest such as if you worked on the development and/or production of the cars or were in a sales role, or maybe a mechanic at a dealership where the cars were being sold. Use extra pages if necessary.)
